

# AGREEMENT PROPOSITION

The undersigned FABER ELETTRONICA S.N.C. with headquarters situated in Caldiero (VR), Via dell'Artigianato, 38 proposes hereby an agreement regarding cards and/or electronic devices to be repaired by replacing damaged components. Such activity is limited exclusively to the replacement of faulty electronic components without tampering or modifying of the electronic circuit boards or controllers in any way; therefore the electronic circuit boards or controllers are returned to customers as originally conceived. The agreement will be proposed under following conditions.

## INFORMATION

We enclose to the following proposition some photos of cards and equipments concerning the repairs that FABER ELETTRONICA S.N.C will do under Customer request. Moreover we highlight that none of the Firms that manufactured the cards and the equipments shown in the pictures have commissioned FABER ELETTRONICA S.N.C to repair their products. The only aim of the pictures hereby enclosed and each product code is to make easier searching cards and equipments in order to be repaired. Therefore our repair activity is completely unconnected to the Firms that produced and manufactured both cards and equipments. FABER ELETTRONICA S.N.C. specifies that also electronic components that will replace damaged ones are completely unconnected to the Firms that produced and manufactured both cards and equipments.

## WARRANTY

FABER ELETTRONICA S.N.C. warrants only a proper procedure of replacement of damaged parts and the excellent quality of components that will replace damaged ones. The warranty doesn't regard all those card parts or equipment parts which are not the subjectmatter of repair. FABER ELETTRONICA S.N.C. always does a final inspection and tests the products after being repaired and before sending them back to their owners. The Customer anyway has to check carefully the correct functioning of the equipment or card repaired by assembling it when he receives it back from FABER ELETTRONICA S.N.C. and if something wrong is found, the Customer can ask if necessary some other repairs. The warranty has a validity of twelve months and a thirteen months only for "SME" panels. It will be excluded in case of unduly use of the cards or equipments or in case of damages caused by the Customer itself or third parts.

## JURISDICTION

The Contract is governed by the laws of Italy. The competent law courts of the Faber 's seat shall have exclusive jurisdiction in any dispute arising out of or in connection with the Contract/Service.

## PRICES

Cards and equipment repair prices, effective for the current year, will be those found on the price list hereby enclosed. In case of repairing a whole product, the price includes the substitution of all the damaged parts. The enclosed price list is not effective for those cards or equipments containing more than one damaged part. Prices are intended to be applied for repairs done at FABER ELETTRONICA S.N.C. offices with transport expenses to FABER and from FABER completely at Customer's charge.

## CONFIDENTIAL DATA

FABER ELETTRONICA S.N.C. assures that the Customer's data acquired through this agreement will be used only for administration and bookkeeping, anyway will be respected the law about confidential data.

## ACCEPTATION

The acceptance of this agreement can be effective both by signing this agreement and sending it to FABER ELETTRONICA S.N.C. or by sending or giving to FABER ELETTRONICA S.N.C. one or more cards or components to be repaired. Any way you'll choose in order to accept this agreement should be considered as unconditional and extended to all the topics of the agreement.
